

# YUVIN'S BEDTIME ADVENTURE

A Magical Bedtime Journey

# BATH TIME

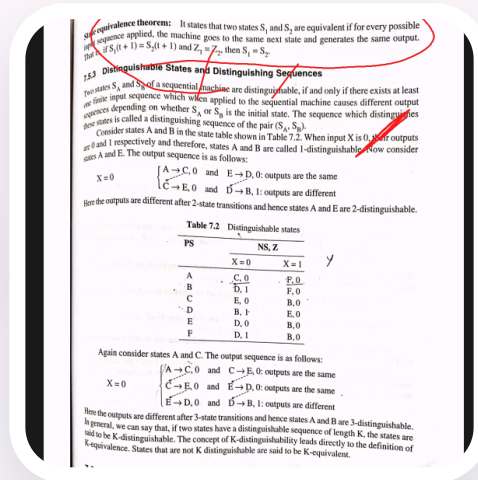

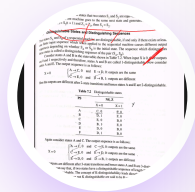

Splish, splash! Little yuvin loves bath time. The warm water feels so nice, and the bubbles dance and pop. yuvin giggles as tiny rubber ducks float by. Clean and cozy, it's time for the next adventure!

# PAJAMA TIME

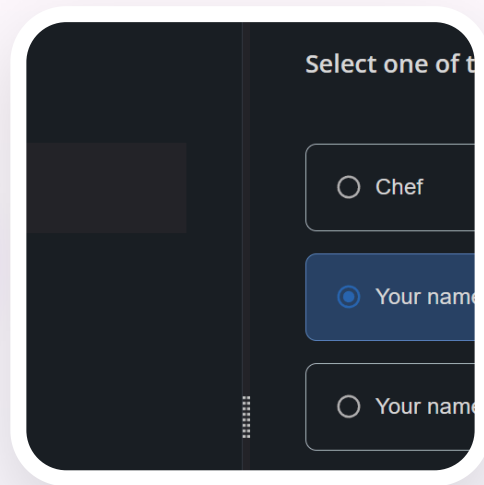

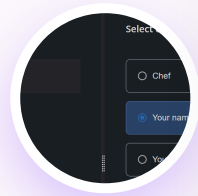

Now it's time for the softest, coziest pajamas! yuvin stretches little arms up high as sowmya helps with the buttons. The pajamas have the sweetest pattern, perfect for a night full of wonderful dreams.

## FAMILY CUDDLE

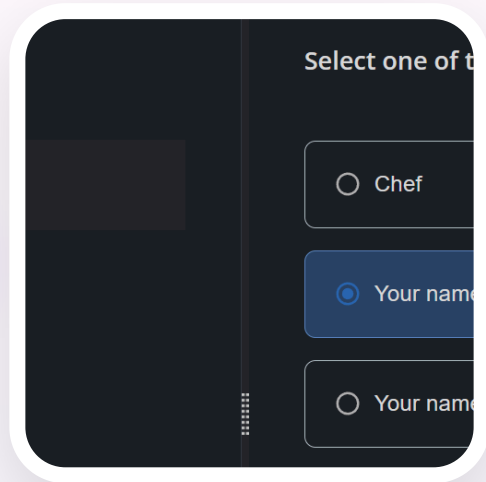

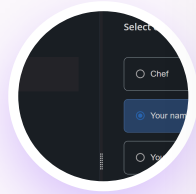

The best part of the evening is cuddle time! yuvin  
snuggles close with sowmya, feeling warm and  
safe. Little arms wrap around for the biggest hug.  
Love fills the room like a cozy blanket.

## STORY TIME

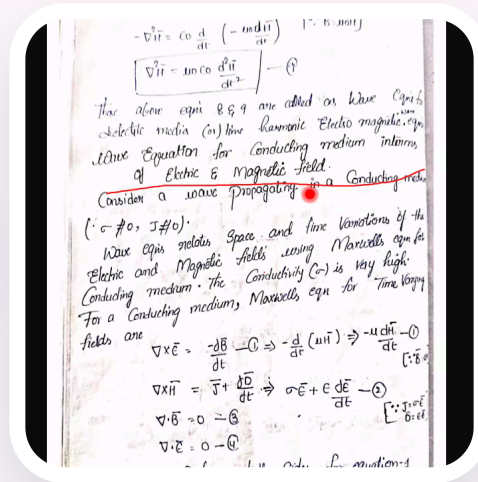

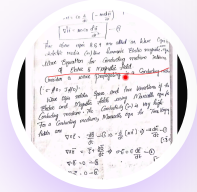

With a favorite book in hand, yuvin listens to magical tales of faraway lands. Each page brings new wonders and adventures. yuvin's eyes grow wide with amazement at every turn of the page.

# LULLABY TIME

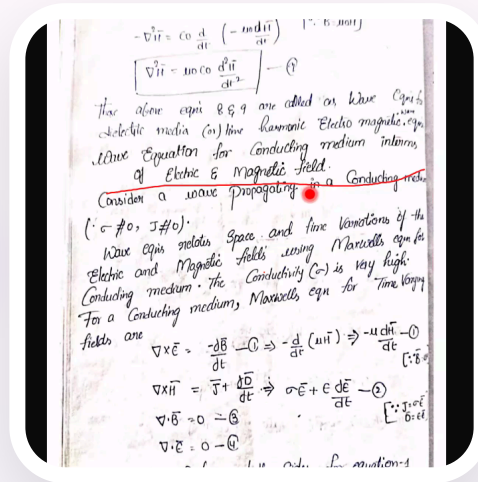

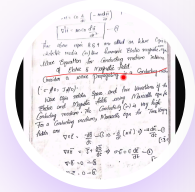

A gentle song fills the air as sowmya hums a sweet lullaby. The melody dances through the room like fireflies in summer. yuvin's eyes begin to feel heavy, filled with peaceful dreams waiting to begin.

# GOODNIGHT KISS

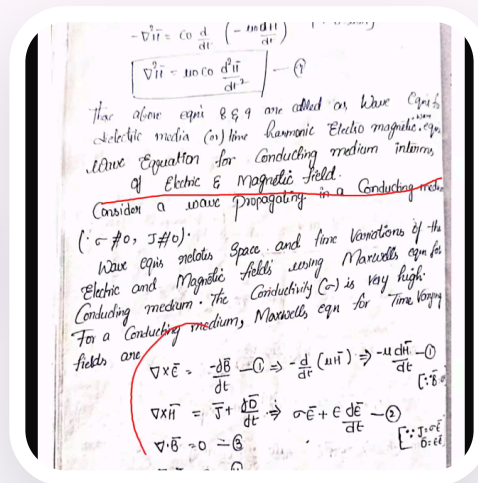

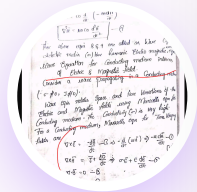

One sweet kiss on yuvin's forehead, then another on each cheek. 'Goodnight, little one,' whispers sowmya softly. The nightlight glows warmly, keeping watch through the night.

# SWEET DREAMS

And now, dear yuvin drifts off to dreamland, where unicorns play and stars sing lullabies. Tomorrow brings new adventures, but for now, sleep tight, little one. Sweet dreams until morning light.
